Profile

Maxim Poulin is a qualified actuary and financial management specialist. His decade of industry experience and his mathematical and data analysis expertise has led him to a range of modelling, strategic planning, and risk management projects.

Maxim has worked for renowned financial institutions during his career. He is proud to join UNI's Board of Directors and bring his expertise to the table. Maxim is convinced that the cooperative can and must play a vital role in the community. His skills in risk management, investments, actuarial methods, insurance, as well as his knowledge of the Office of the Superintendent of Financial Institutions' (OSFI) standards, will make him a key asset on the board team.

Maxim is passionate about sports, especially hockey and baseball. He believes that athletics are a great way to challenge yourself, stay in shape and refocus.
